Elastomeric Test Caps, Cleanout Caps, and Combination Test Caps/Shielded Couplings

1 Scope

- 1.1** This Standard covers elastomeric test caps, cleanout caps, and combination test caps/shielded couplings, and specifies requirements for materials, physical characteristics, performance testing, and markings.
- 1.2** The requirements of this Standard are not intended to prevent the use of alternative materials or methods of construction provided such alternatives meet the intent and requirements of this Standard.
- 1.4** Proposals for amendments to this Standard will be processed in accordance with the standards writing procedures of IAPMO.
- 1.5** The user's attention is called to the possibility that compliance with this Standard may require use of an invention covered by patent rights. By publication of this Standard, no position is taken with respect to the validity of any such claim(s) or of any patent rights in connection therewith. If a patent holder has filed a statement of willingness to grant a license under these rights on reasonable and nondiscriminatory terms and conditions to applicants desiring to obtain such a license, then details can be obtained from IAPMO.

2 Reference Publications

This Standard refers to the following publications, and where such reference is made, it shall be to the current edition of those publications, including all amendments published thereto.

ASTM A240	Standard Specification for Chromium and Chromium-Nickel Stainless Steel Plate, Sheet, and Strip for Pressure Vessels and for General Applications
ASTM C564	Standard Specification for Rubber Gaskets for Cast Iron Soil Pipe and Fittings
ASTM C1173	Standard Specification for Flexible Transition Couplings for Underground Piping Systems
ASTM C1440	Standard Specification for Thermoplastic Elastomeric (TPE) Gasket Materials for Drain, Waste, and Vent (DWV), Sewer, Sanitary and Storm Plumbing Systems
ASTM C1460	Standard Specification for Shielded Transition Couplings for Use with Dissimilar DMV Pipe and Fittings Above Ground
CSA B602	Mechanical Couplings for Drains, Waste, and Vent Pipe and Sewer Pipe
SAE J1670	Type "F" Clamps for Plumbing Applications
